

Administration Reports.

Modification of the orders discontinuing the printing of the — of Political Agents at the Government Central Press.

No. 6764

POLITICAL DEPARTMENT.

Bombay Castle, 12th September 1902.

Memorandum from the Commissioner, N. D., No. 590, dated the 20th August 1902—Submitting, with reference to Government Resolution No. 5019, dated the 4th July 1900, Political Department, which directed that the Annual Administration Reports of Political Agents should not be printed at the Central Press, a statement showing the expenditure incurred in printing these Reports at private presses in the Gujarát Agencies since the passing of the abovequoted Resolution. Stating that the earlier Government Resolution No. 353, dated the 25th January 1889, General Department, appertained to the Administration Reports of Native States, that the prohibition against such Reports being printed at the Central Press does not need reconsideration, but that it seems an unnecessary waste of Government money to require the printing of the Agency Annual Administration Reports at private presses when Government owns a press at which the work can be done at little cost.

RESOLUTION.—In modification of the orders contained in Government Resolution No. 5019, dated the 4th July 1900, the Governor in Council is pleased to direct that Agency Annual Administration Reports should be printed at the Government Central Press, and that such Reports should be forwarded direct to the Superintendent, Government Central Press, for the purpose of being printed.

Note on the conditions of the people - Savanur. State

The condition of the people in Savanur State outside the town itself does not differ from that of the people in the part of the Dharmwar District, in the midst of which the Savanur State villages are scattered.

In Savanur town is a considerable population of Mohammedans related to the Kawah family; the majority of these persons are not in good circumstances & but few of them exert ~~in~~ themselves to become so.

2. For the rest the population of the State consists mostly in cultivators with

with a few traders & money lenders in
the town - as in Dharwar & unlike the
Deccan & Gujarat money lenders and
cultivators generally belong to the same
class. Wages of labour as in Dharwar
are high.

Administration Reports.

Orders regarding the summaries of their Administration Reports submitted by Political Officers for the General Administration Report.

No. 2244.

POLITICAL DEPARTMENT.

Bombay Castle, 25th March 1903.

Resolution of Government in the General Department, No. 1272, dated the 10th March 1903 (paragraph 2)—Communicating the following paragraph of a letter No. 80, dated the 15th January 1903, from the Compiler, General Administration Report for 1901-1902 :—

" 4. I would call attention to the lack of uniformity in the summaries which are submitted by Political Agents and which form the materials for Chapter I of Part II, 'Tributary States.' The orders as regards these summaries are contained in Government Resolution No. 783, dated the 6th March 1876. The advisability of uniformity in these reports is all the more imperative now that various smaller agencies (such as Sâtara Jaghirs and Southern Marátha Country States) have been thrown into one group, for which *one* consolidated report is submitted. As it is, the summaries are so incomplete (some Political Agents omitting certain necessary details and others introducing other unnecessary ones) that they are of little practical value to the Compiler. It would help matters considerably if the attention of Political Agents were called to the orders mentioned above with a view to securing uniformity in their reports."

RESOLUTION.—The attention of all Political Officers should be invited to the orders contained in Government Resolution No. 1664, dated the 21st March 1876, and they should be requested in future to prepare their summaries strictly in accordance with those orders.

Revised form in which the Returns of the Military Forces maintained in Native States should be prepared.

Letter No. 114-I.A., dated the 9th January 1905.

From—R. E. HOLLAND, Esq., Officiating Under Secretary to the Government of India, Foreign Department;

To—C. H. A. HILL, Esq., C.I.E., Acting Secretary to the Government of Bombay, Political Department;

I am directed to refer to the letter from the Government of India in the Foreign Department, No. 3201-I.A., dated the 29th August 1904, regarding the form in which the returns of the Military Forces maintained by Native States should be prepared.

2. It has recently come to the notice of the Government of India that a diversity of practice obtains with regard to the inclusion in the returns of State Police who are uniformed and drilled and bear firearms. In some cases such Police appear in the returns under the head of Local Military Forces, while in other cases they are omitted altogether. I am to say that the Government of India consider it to be desirable that the returns should in future show, under the head of Local Military Forces,* not only all troops other than Imperial Service troops who are uniformed, drilled and bear firearms, but also all Police who fulfil the same condition.

* See letter from the Government of India in the Foreign Department, No. 369-I., dated the 25th January 1896.

3. I am accordingly to request that, with the permission of the Governor in Council, future returns may be furnished in the form annexed,† column 13 of which provides for the inclusion of Police.

RESOLUTION.—These orders of the Government of India should be communicated to all Political Agents, with reference to Government Resolution No. 5841, dated the 24th September 1904.

2. The Political Agents who have already submitted returns in the old form should be requested to submit fresh returns in the new form.

Orders of the Govt of India that transport attached to & forming an integral part of an ordinary regiment is not to be included in the annual retn of military forces maintained by Native States.

Letter No. 1177-1.A. of the 27th Dec 1905.

From. - V. Gabriel, Esqr., Under Secretary to the Govt. of India, Foreign Dept.

To, The Hon. Mr C. S. Balvey, C.S.I.
Resident at Hyderabad.

I am directed to acknowledge the recd. of Sir David Barr's letter No 78, of the 10/2/05, forwarding a retn. of the armaments of the Hyderabad State for the year 1904.

2) It is observed that 330 animals have been shown under "Imperial Service ~~Transport~~ Corps." The Hyderabad State does not maintain any Imperial Service Transport as a separate unit. The entry under this head in the retn presumably therefore refers to the transport attached

to & forming an integral part of an ordinary
regiment. The instructions conveyed in the
letter from the Foreign Dept. No 3201-1-A., of the
29th Aug 1904, were not intended to require the
inclusion of transport of this nature in the
annual return under "Imperial Service.
Transport Corps!"

The entry in col. 8 of the return has
accordingly been deleted.
